

Smart Thermostat Incentive Request

Salem Electric offers a \$100 homeowner installation incentive or a \$125 professional installation incentive for qualifying thermostats. Thermostats must be listed on BPA's Smart Thermostat Qualified Products List and installed in a residence within Salem Electric's service area. To qualify, the residence must be heated by an electric furnace or heat pump system, have occupancy detection set to on, and be programmed to control the heating system. Members may request up to two incentives. Incentives are subject to available funding and will be credited to the service address below.

How to Submit an Incentive Request

1. Complete this form
2. Attach an image of your receipt or a contractor's invoice showing installation of a qualified thermostat
3. Email completed form and receipt to MemberServices@SalemElectric.com, deliver to our office, or mail to PO Box 5588, Salem, OR, 97304
